## Week 2: Activities – Day 12: Star player

**Question:** Are there any activities that you used to do, but you don't do anymore? Why did you stop?

### Vocabulary:

1. Star player: *the most skilled and talented player on a sports team*

We probably won't win the basketball game tonight because our **star player** is injured.

2. Fun while it lasted: *an enjoyable experience during the moment or time period when it occurred*

I'm sad that our weekend trip to the mountains is over, but it was sure **fun while it lasted**.

### Vanessa's answer:

When I was in high school, I used to play on our high school volleyball team. I was never the **star player**, but I always had so much fun traveling on the bus with our team to different games. I stopped playing volleyball after I graduated from high school because I didn't find a team that I really wanted to be on, but it sure was **fun while it lasted**.
