

# 30 Day English Speaking Challenge: Family

---

## Week 1: Family – Day 2: Look like

**Question:** Do you look or act like anyone in your family?

### Vocabulary:

1. To look like someone: *to have similar physical characteristics*

Wow, your daughter **looks** so much **like** you!

2. The apple doesn't fall far from the tree: *to have a similar character trait as a close family member*

My son loves puzzles, and guess what? My husband loves puzzles, too. I guess **the apple doesn't fall far from the tree!**

3. Spouse: *a husband or wife*

I met my **spouse** because we both worked in the same office.

### Vanessa's answer:

People tell me that I **look** a lot **like** my mom, and my mom **looks** a lot **like** my grandma, so I guess we all look alike, but my character is more like my dad's. He's determined, analytical, and sometimes not good at noticing details, so I guess **the apple doesn't fall far from the tree**. All right, now it's your turn to answer this question in our group. I'll see you there.
