

30 Day English Speaking Challenge: Family

Week 3: Travel – Day 17: Alone

Question: Do you prefer to travel alone or with friends and family? How come?

Vocabulary:

1. How come: *a common conversational way to ask "Why?"*

How come you didn't invite Tom to the party?

2. Best of both worlds: *all the benefits of two different situations*

Working from home gives me the **best of both worlds** because I get to earn a good salary without the hassle of a daily commute.

3. Homesick: experiencing a longing for home and family during a period of absence from it

I got really **homesick** my first year of college but by my second year I was fine.

Vanessa's answer:

For me, I prefer to travel with friends and family because I feel like it's the **best of both worlds**. I get to experience new cultures, and I don't feel lonely or **homesick**. And when we return home, we can continue talking and reminiscing about our wonderful adventures.
