Week 2: Activities – Day 8: Free time

Question: When you were a child how did you spend your free time?

Vocabulary:

1. Spend your free time: *what you do during the times when you don't have to work or study and can do what you want*

I usually **spend my free time** reading books or hanging out with my friends.

2. Reminisce: *remember, think, and sometimes talk about good times from the past*

I had so much fun **reminiscing** about all the goofy things we used to do together as kids.

Vanessa's answer:

When I was a child, I **spent my free time** with my sister and the two girls who lived across the street. We used to sew little animals and then make miniature houses for them. Sometimes I love **reminiscing** and thinking back on those innocent, wonderful memories of childhood.
