

30 Day English Speaking Challenge

Congratulations on deciding to speak REAL English!

Over the next month, you will test yourself by speaking about interesting common conversation topics, and your speaking skills will grow day by day. *Each of these lessons includes real vocabulary that you will need when you speak.*

Each day, if you follow this guide, your challenge should take 10-15 minutes. This isn't very long, but **you need to do it every day to earn your refund** (and improve your speaking skills!).

See all details, including the date deadline, about how to earn your refund [here](#).

After two weeks, it's easy to forget or slow down, but I'll be sending you motivating emails every day with a few sentences about the new material.

Let's have a wonderful month! You can do it!

If you have any questions, feel free to email me:

HOW TO USE THIS COURSE

A recommended daily study guide

Step 1:  Watch the daily speaking lesson on [the course website](#).

Review the daily vocabulary and listen to my sample answer.

Step 2:  Take the vocabulary quiz.

See if you can remember the vocabulary that you just learned in the video.

Click the red button that says: “Complete and Continue.” 🙌

Step 3:  Open the Vanessa AI app.

Navigate to the “30 Day Speaking Challenge” questions and answer the daily question for as long as you want. The most important thing is to relax, try your best, and keep up the daily habit.

After the 30 days are finished, send me an email answering the question: “*How did the 30 Day Speaking Challenge help you to improve your speaking skills?*”

Here are a few bonus ideas:

Bonus 1: Share your answer to the daily question in the comments below each lesson. Then you can read other students’ answers, too!

Bonus 2: Print out the calendar and mark each day as “**finished**.” You did it!

Bonus 3: If a daily lesson is really difficult, **circle the day on your calendar** and go back to review it later.
