

30 Day English Speaking Challenge: Family

Week 3: Travel – Day 16: Abroad

Question: Have you ever traveled abroad? If so, tell me about your first travel experience. If not, where would you like to go?

Vocabulary:

1. Travel abroad/study abroad: *taking a journey to another country/going to another country to take classes as part of a high school or university degree*

The first time I **traveled abroad** I packed way too much.

I **studied abroad** during the spring semester of my junior year in college.

2. Bit by the travel bug: *an expression used when a person discovers they really enjoy traveling and then decide to travel to many destinations*

I got **bit by the travel bug** during my trip to Ireland, so I decided to extend my travels for another month before returning home.

Vanessa's answer:

The first time I **traveled abroad**, I was 21. I **studied abroad** in the UK and I definitely got **bit by the travel bug** while I was there. I visited over 10 countries while I was supposed to be studying during that semester, but you know what? I had a great time and have wonderful memories of that experience.
