

30 Day English Speaking Challenge: Family

Week 1: Family – Day 1: Immediate

Question: How many people are in your immediate family?

Vocabulary:

1. In my immediate family: *the people who are closely related to you or you live with; usually your parents, siblings, spouse, and children*

There are seven people **in my immediate family**: my parents, my two siblings, my husband, and my two sons. Even though my family is small, I always love spending time with them.

2. Sibling: *a brother or sister*

I have two **siblings**. I'm the middle child.

Vanessa's answer:

My immediate family is pretty small. It's just my parents, my sister, my husband, and our two sons. But Dan, my spouse, has two **siblings** and they both have children, so **his immediate family** is a little bit bigger than mine.
