

# 30 Day English Speaking Challenge: Family

---

## Week 1: Family – Day 7: Parents

**Question:** How has your relationship with your parents changed as you've gotten older?

### Vocabulary:

1. Ask for advice: *ask others what they think you should do*

I'm going to have to **ask** my boss **for advice** because I've never worked with this client before.

2. Run into situations: *encounter or experience new circumstances*

I **ran into a situation** in which both my dog and my cat had to go to the vet for emergency treatment at the same time. It was stressful.

### Vanessa's answer:

As I've gotten older, I've discovered that I **ask** my parents **for advice** a lot more than I used to. Now that we have a home to run and kids to take care of, I **run into** a lot of **situations** where I could use their help and advice. For example, if one of my kids gets sick or I need to prepare a turkey for Thanksgiving and I don't know how to do it, usually I go to my parents and **ask for** their **advice**.
