## Week 1: Family – Day 4: Name

**Question:** How did you get your name?

### Vocabulary:

1. To be named for someone/something: *to have the same name as someone/something*

My son Freddie isn't **named for** anyone. We just liked the name!

2. To remind (someone) of someone/something: *to bring up a memory*

The baby's red hair **reminded** her mom **of** her grandmother's red hair, so they named the baby "Sarah," like her grandmother.

### Vanessa's answer:

I'm **named for** one of my mom's childhood friends. They didn't know each other long, but the name Vanessa **reminds** her **of** those wonderful memories that she had as a child playing in the forest with her friend.
